

Guess The "Celebrity" Baby

You will need recycled celebrity magazines and baby magazines, a bulletin board, and push pins. Prior to the baby shower, go through recycled magazines and cut out baby heads and celebrity bodies. Paste the baby heads onto the celebrity bodies. Use a bulletin board and pin the pictures onto it. Don't forget to number each one and write down the celebrity answers for your records. Have each guest try to guess the name of the celebrity. The one who guesses the most correctly wins.
