

Baby Shower Thank You Game

You will need to handmade or purchase a set of thank you cards with envelopes, preferably made of recycled paper. You will also need a basket, stamps and pens. A baby shower door prize will be given to the winner of the drawing. Place the blank envelopes in a basket and as each guest enters, ask them to fill out the envelope with their address. Have the envelopes pre-stamped and include the mom-to-be's return address. Once

everyone has filled out the envelopes, have a drawing where the expectant mother pulls an envelope out of the basket. The envelope she pulls receives a prize and all the envelopes are given to the mommy with thank you cards inserted and ready to be filled out. Cards are already stamped and ready to be sent!
