

Celebrity Baby Name Game

You will need a copy of the quiz and pens/pencils. Have the baby shower participants match the celebrity name to the celebrity baby name. Or if you have some really hardcore People or US Magazine readers, make it a fill in the blank.

To make up your own quiz that is tailored to the guests attending, go to [babycenter.com](http://www.babycenter.com) for a list of any and every celebrity baby name you could ever imagine. Be sure to add a few obscure celebrities for a challenge that will set the players apart.
